

Salinity variation along transect lines at 0.5 m depth

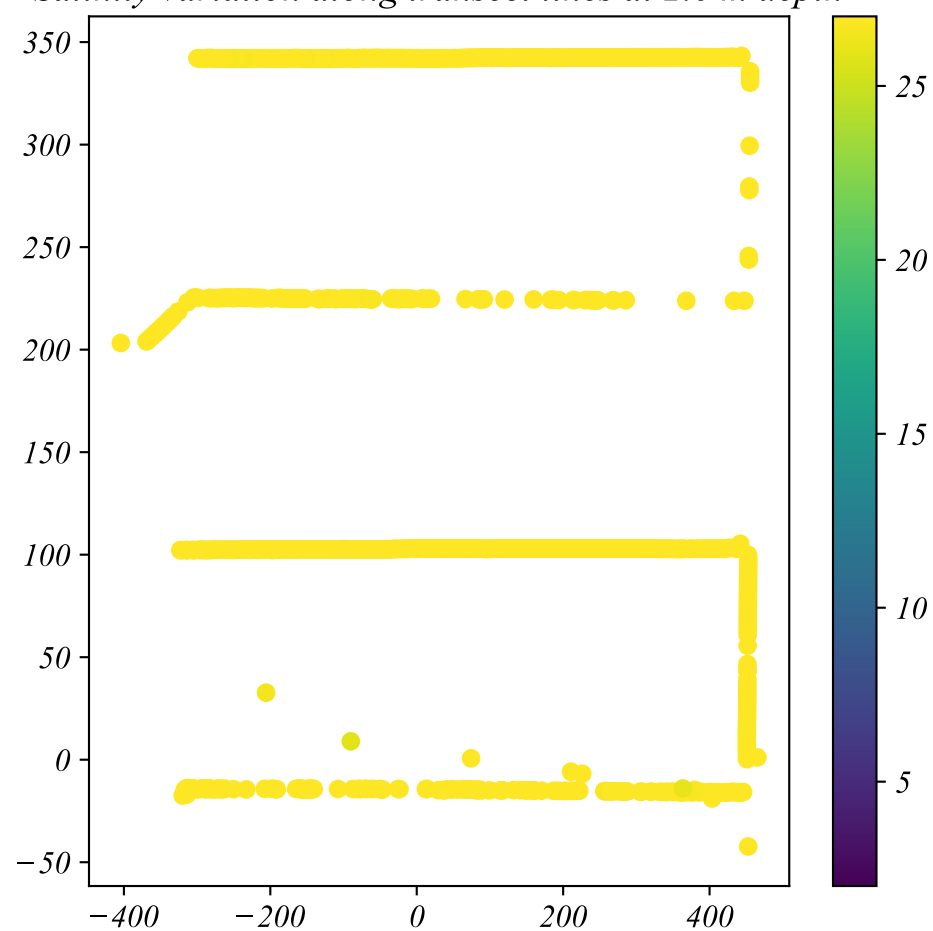

Salinity variation along transect lines at 0.5 m depth

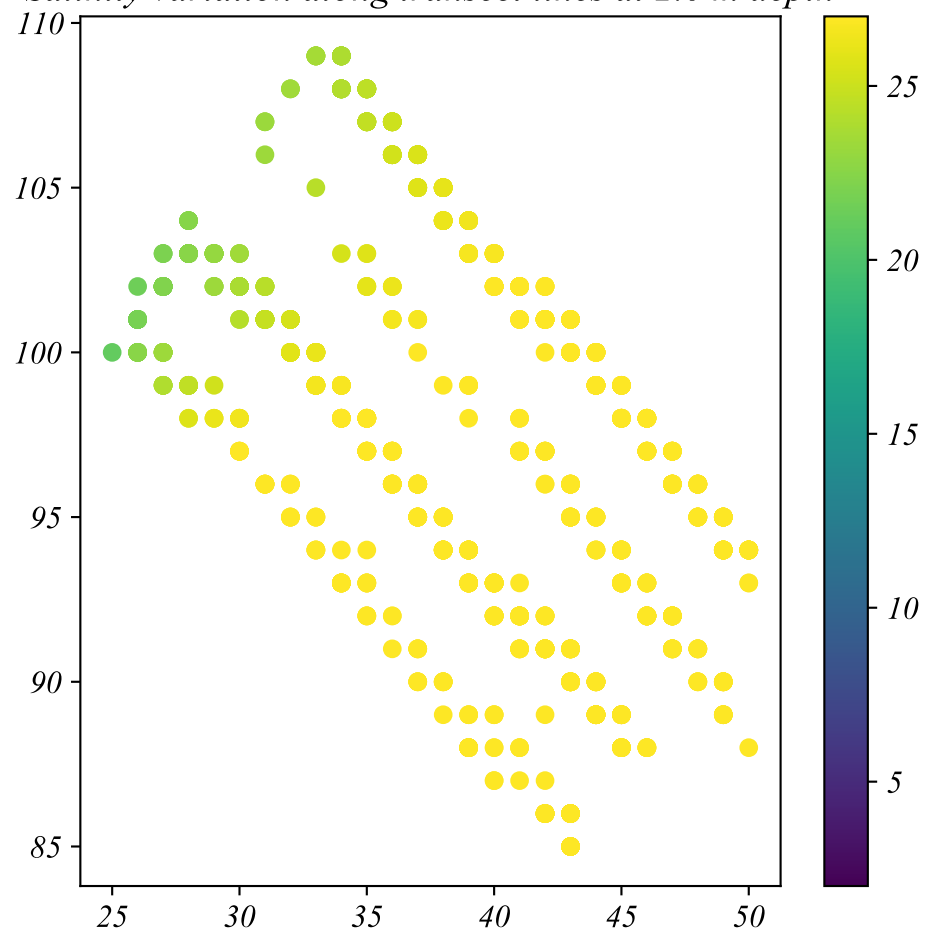

Cross plot for depth 0.5 m

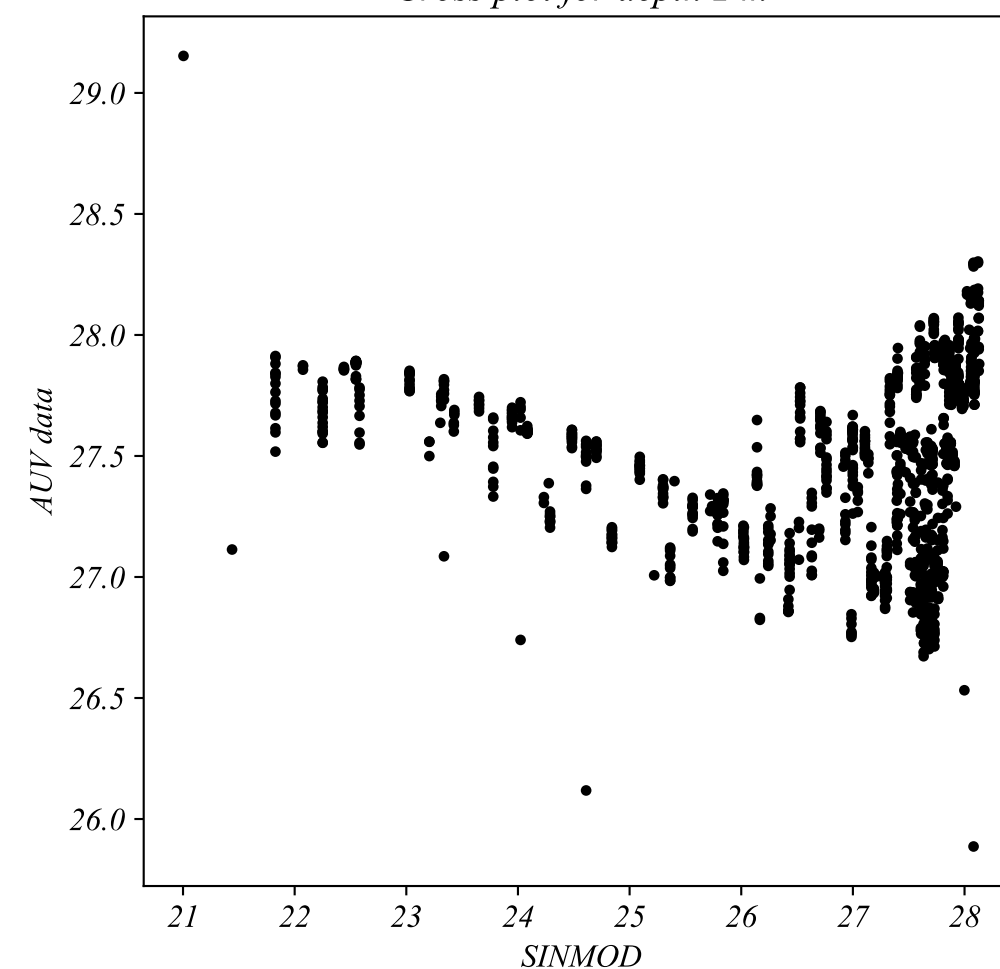

Salinity variation along transect lines at 2.0 m depth

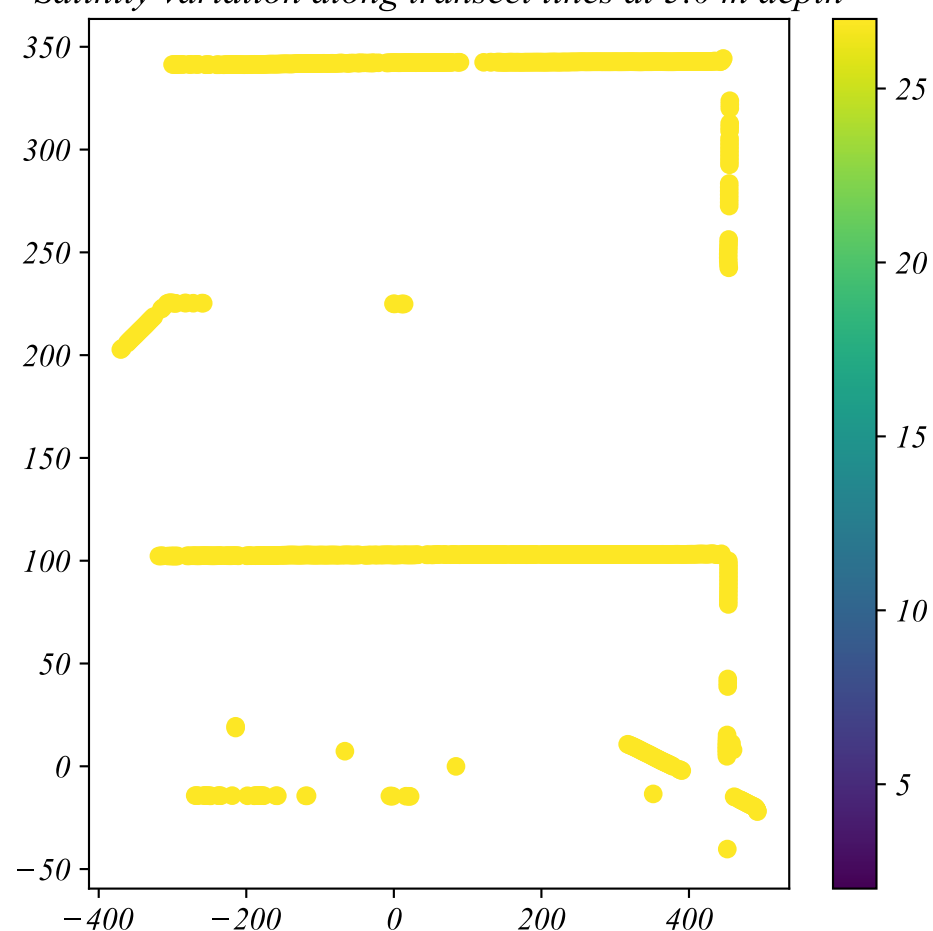

Salinity variation along transect lines at 2.0 m depth

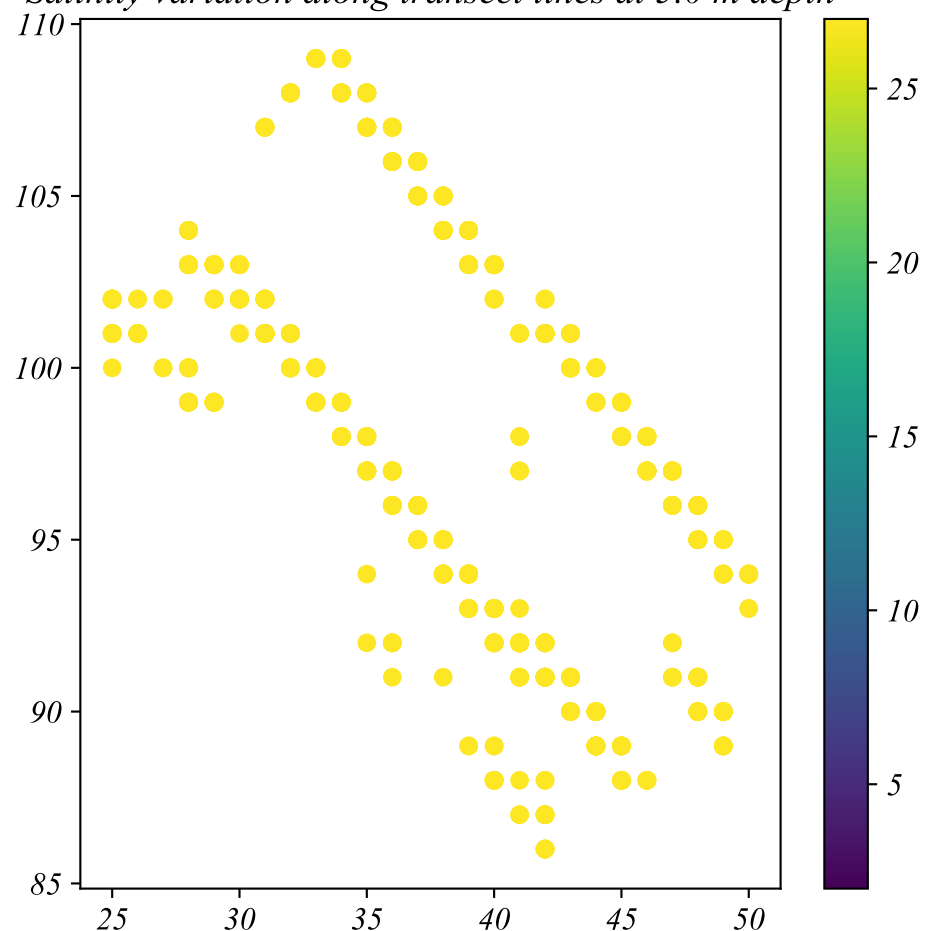

Cross plot for depth 2 m

Salinity variation along transect lines at 5.0 m depth

Salinity variation along transect lines at 5.0 m depth

Cross plot for depth 5 m
